

NEW RACECAR. NEW SERIES. NEW FULL SIZE RACING ON A SPORTSMAN'S BUDGET

S-2

"THE NEXT GENERATION RACECAR"

\$25,995.00

-COMPLETE TURNKEY RACECAR-

The new S2 Sportsman car features a rear wing and front end splitter resembling a current NASCAR Sprint Cup car. The body features plastic components including the nose, tail, fenders, and quarter panels for increased durability. The car comes complete with a Chevrolet 350 horsepower sealed iron-headed race Engine with a Holley 4-barrel high performance carburetor, three speed transmission and a nine-inch full floater rear end.
